WILMINGTON MARKETS

WEEK ENDING THURSDAY, January 13, 1870.

OF THE

TURPENTINE-For this article the market has ruled without change during the week. A steady demand has existed for distilling purposes, and all received has found sale at \$2 80 for soft, and \$1 65 for hard, W bbl. of 280 lbs. Receipts have been smaller than reported for last week, and foot up 3,711 bble., as follows:

fuesday 392...... 2 80...... 1 65

SPIRITS TURFENTINE-The market for this article ruled quite firm during the early part of the week, and on Saturday an advance of one cent Fives, 63. Georgia sixes, ex-coupons, 80; sev- was obtained, sales being effected at 42 cents. ens, 89. North Carolina sixes, ex-coupons, old, Since then, however, only one small sale has been reported-the interruption in the telegraph wires and a stringency in the money market, having had the effect to keep buyers from operating. At the close of our enquiries to-day it cent lower. Corn dull and unchanged. Pork- is impossible to give a correct quotation-buyers

are not disposed to purchase unless at a reduced figure, which factors refuse to accept. Receipts 16 @16 cents. Ootton steady at 25 cents. Spi- for the week are meagre, and there is very little stock remaining in first hands. We quote sales firm at \$2 15@\$2 20 for strained common and Friday 275 casks at 41 cents per gallon. Saturday..... 20 " " 42 " " Tuesday..... 24 " " 42 " "

Rosin.-We have nothing new to report in this article for the week ended to-day. The market What is the rational mode of procedure in generally has ruled quiet for all grades, and the cases of general debility and nervous prostation? sales effected have been at about former quotations. There is some demand for strained, and Does not reason tell us that judicious stimulation \$1 50 is offered, but the stock in factors' hands ical weakness, with all the nervous disturbances \$1 55@\$1 60 for No. 2, \$2 for opaque, \$3 for No. 2

> TAR-Has been in moderate request for shipping purposes since our last, and the price is parents, especially mothers, who are more con-

BARRELS.—The market is fully supplied with empty spirit barrels, and there is no demand ordinary tonic power. Even while removing ob- worthy of mention. We quote limited transstructions from the bowels, they tone and invig- actions from wharf at the following tigures : orate those organs. Through the stomach, upon Second hand country, \$2 15@\$2 20 as they run, gives a healthy and permanent impetus to every second hand; city made, \$2 75@\$3 each for new, Beeswax - Is in moderate request, and sells at

consequently the market closes rather quiet. There is, however, a very light stock here and IRON BANDS AND TIES for Ootton are in moderate stock, and sell at the following quotations:-Arrow, 61@7 cents; Buckle, 61@7 cents & lb.

But, above all, they are recommended Coe's Superphosphate of Lime, \$60; Baugh's Raw Bone Phosphate, \$50; Whitelock's Cerealizer \$70; Chesapeake Phosphate, \$60; Lister Bros Superphosphate of Lame \$65; Whann's Raw Bone Superphosphate, \$70; Lodi Manufacturing Co. Pure Bone \$18; do do double refined Pondrette \$28; do do Ait, phosphate Lime \$58; Berger & Butz's Superphosphate, #60-all & ton of 2,000

FLOUR. - There is nothing new to report in this BY AUTHORITY in me vested, I will sell on article. The market continues to be fully supplied with all grades of Northern and Western House door in Kenansville, N. C., at auction, brands, and we note a moderate demand from to the highest bidder, that valuable plantation in the trade. Seining from store at figures quoted FISH .- Mellets are in moderate supply, and at

table for store prices. GRAIN-For Coun there has existed a better enquiry since our last, and cargo price is a shade nigher. Receipts for the week are about 17,000 bushels, of which 2,650 bushels sold from vessel at \$1 06, and the balance has gone into store .-The market is well supplied, with a fair demand. and cargoes find ready sale. From store we quote as selling at \$1 15@\$1 17} & bushel, bags included .-- -- OATS-None received, and stock small. Only a retail demand, however, and we at any station on the W. & W. B. R. south of quote in the small way at 80 785 cents & bushel. and including Goldsboro', for 910 50 per ton.

Cow. Would readily command \$1 25 % bushel,

---- Rick-For clean there is merely a light de-

meet. We quote Carolina at 81@9 cents # fb. HAY-The supply of all descriptions is small, and demand fair. Received 180 bales Eastern. which sold from wharf at \$1 25 \$2 100 ths. No arrivals of Northern; last sale was at 95 cents. LIME -Is in better supply, a cargo of 2,100 casks having been received by a dealer during the week, which has gone into store, and is selling in lots as wanted at \$1 60@\$1 65 P cask.

LUMBER-Nothing of importance doing in this article, and market fully supplied. We quote from the mills as follows: Pine Steam Sawed Lumber - Cargo rates - pe

1,000 feet. Ordinary assortment Cuba cargoes, \$20 00 @ 21 00 Hayti cargoes, 18 00 @ 00 00 Full cargoes wide Boards. 20 00 @ 22 00 flooring boards, rough 22 00 @ 23 00 Ship Stuff as #specifications..... 23 00 @ 24 00 Deals, 3 by 9...... 20 00 @ 22 00 Molasses-The market is fairly supplied with

early all descriptions, and demand principally

for retail lots. The cargo of Cuba reported in our last as received, was sold on private terms and is now selling from wharf at 48 cents in lots, and 50 cents @ gallon for single hhds. PEA NUTS. - Market firmer, though we have no quotable change to report in prices. Receipts are rather small, and there is a fair demand from shippers. We quote sales at \$1 20@\$1 30 for inferior and ordinary, \$1 40@\$1 50 for fair and prime, and \$1 60 @ bushel for extra. POTATOES. - Sweet are coming in slowly, and in moderate demand. From carts we quote at

Jackson white \$2 75; Peach Blow \$3; Chili \$3; Goodrich \$4; Pink Eye \$4, and Early Rose \$5 7 POULTRY - Is in moderate supply, and sells as follows: Live fowls 25@35 cents, and turkeys \$1 50@\$1 75 each; dressed fowls 35@40 cents

each, and turkeys 20@25 cents 7 lb. Provisions-In the Bacon market we have no change of consequence to make. The receipts of North Carolina cured are very light, and confined to small lots by carts, which have found sale at 17@18 cents for shoulders, 18@20 cents for sides, 19@21 cents for hog round, and 20@221 cents 7 th, for hams, as in quality. Stock about sufficient to supply present demand. For Western cured there is merely a retail enquiry, and stock on market adequate. We quote sales from store at 16@16; cents for shoulders, 18; @20 cts. for sides, and 18@22 cents # tb. for hams.--LARD-The market is fully supplied with Northern, and demand light. Sales from store at 1763 22 cents. One small lot of North Carolina sold at 221 cents # lb .- PORK-The price of Northern shows a further decline. Market moderately supplied, and sales from store at tigures given in table. --- Fresh is arriving from the country

supplied. Sales from store and wharf at \$1 60 for American, and \$1 60@\$1 70 \$1 eack for Liver-

SEINGLES .- Market dall, and no shipping de mand. We quote at \$2.50@\$3.50 for Common and \$4.50@\$5.48 M. for Contract. TIMBER-Continues to arrive quite freely, and is without material change in prices given in our last. There is a moderate demand for mill purpurses, and lots are generally taken upon arrival. The sales are about 60 rafts for the week, at prices quoted in our table.

Wood-Is rather scarce, and wanted. By the boat load we quote at \$3@\$3 25 for pine, \$3 25@ \$3 50 for ash, and \$3 50@\$4 Record for oak. for coastwise ports, with a fair quantity of produce awaiting shipment. To New York rates are higher, and a few schooners have been taken up at 50@55 cents for rosin. We refer to our table for last prices paid.

B. A. FAHNESTOCK'S

VERMIFUGE.

WHY IS IT THAT SO MANY CHILDREN die under the age of five years? That a large proportion of children die under that age, has long been a subject of remark, and without a satisfactory cause ascertained, it is certain. Also it is known that worms exist in the human eystem from its earliest infancy; therefore ing of the first symptoms of worms; for so surely

as they exist, can they be SAFELY AND CERTAINLY removed from the most DELICATE INFANTS, by the

PURELY VEGETABLE COMPOSITION. And may be administered with the UTMOST

SAFETY TO CHILDREN OF ALL AGES. Worm Confections, made more for the purpose of pleasing the palate than of overcoming the disease, have been manufactured all over the country, but their short lease of life is nearly exhausted, and R. H. Fahnestock's Vermifuge con-

CAUTION.

Should occasion require you to purchase B. A. Fahnestocks's vermifuge, be particularly careful receipts small. The sales are as follows: 4 bales | to see that the initials are B. A. This is the ar-

FAVORABLY KNOWN SINGE 1829. And purchasers must insist on having it, if they do not wish to have an imitation forced upon

SCHWARTZ & HASLETT.
